Capital University’s Department of Nursing invites applications for two full time, term positions beginning August 2015. Both positions require experience in nursing education at the Baccalaureate degree or higher.

Position 1) The successful candidate will have recent clinical practice in any specialty. Experience in on-line learning is highly recommended.

Position 2) The successful candidate will have recent clinical practice in psychiatric-mental health nursing. Prior clinical and classroom teaching in the specialty is highly desired.

The faculty welcomes new colleagues who will share their passion for the profession as well as love of teaching and mentoring undergraduate, accelerated degree, BSN completion and graduate students.

Join us in the pursuit of evidence-based practice, involvement in service learning, and participation in nursing’s organizational life locally and globally. Eligibility for licensure in Ohio and the master’s degree in nursing are required for all appointments. An earned doctorate is preferred for term appointments.

Capital University offers a rich benefits package that includes medical, dental, retirement, family education benefits, long-term disability, life insurance and free parking.

**Application Process:** Interested candidates should send: 1) a curriculum vitae, 2) unofficial copies of all academic transcripts, 3) three letters of recommendation, 4) names and addresses of three references, and 5) a letter of interest outlining the applicant’s educational philosophy and commitment to liberal education.

All applications and inquiries about the above position should be directed to:
