I would like to use the Deferred Payment Plan (3 equal payments) for the fall 2018 semester. This completed
application and 1/3 of my fall Adjusted Tuition Balance Due must be submitted to the Student Accounts Office by
Monday, Aug. 20th.

The second and third payments for all programs are due:

Sept. 20th – second payment due
Oct. 19th – final payment due

A late fee of $100 may be assessed for each of these payments if they are not received by their due date.

Please note: Adjusted Tuition Balance Due is the amount of your tuition due after the estimated financial aid on your
ebill has been taken into account. Traditional undergraduate and CNAP students are not eligible to use this payment plan.
